- E. **Professional Development:**  
Scenerio's of game situations were sent to all members prior to the meeting. Lesley discussed the answers as members asked questions regarding situations and real game situations such as goalie loses glove, masks preventing a goal and more. Lesley also encouraged all to have a copy of the overtime in their bags, had previously asked via email as mistakes on ot have been made this season. (if carded teams start short in OT) More info about Cards going to coach on illegal subbing during a PC. Lesley also asked all to send questions to her as they come up throughout the season.
- F. **Arbiter Pay vs. Zebra Pay** Kitty spoke about how to access Zebra Pay, and stated Lesley had sent info regarding this prior to the meeting. Arbiter pay is easy access and some schools are paying via check sent to your home. Please be diligent when keeping track of payment and deal with in a timely manner.
- G. **Question and Answer Time:** Some concerns and questions were does skyland conference pay less, yes they do. Card progression was discussed. How long do officials wait if team will be late, as long as it takes for them to get there keeping in mind late teams do get a warm up. JV might be shortened or running time but ask coaches, do not tell them as it is their decision. Do a pre-game with partner so arrive 25 minutes prior to game to check field, cages, speak to timer, scorers and chat with partner-very important!
